VISION

Builders

Global + Local
The Bible shows us that Jesus gave all He had to reach the lost. There is no greater love than His.

All around the world and right here in our city are lost, forgotten and broken people. Our church exists for those who aren’t here yet and we will make bold moves to reach them with the love of Christ.

Through Vision Builders we invest in missionaries and missions organizations at home and around the world, who meet physical needs and bring the hope of Christ to those who need it most. We want to begin this year by prayerfully asking God what He can do through us, over-and-above our normal giving, to help build His vision for our church.
In Matthew 28, Jesus commands us to go into all the world and preach the Gospel to ALL of creation. Our church supports 60 missionaries and organizations all over the world. Through Vision Builders, we will not only continue this support, but increase our support through your generosity. Everyone, in every nation, deserves a chance to hear the Gospel.
Local & Global

Christ Place currently supports 60 missionaries and ministries in over 35 countries.
Boys and Girls Missionary Challenge (BGMC) is committed to beginning the process of missions awareness, concern, and stewardship in young lives. They are challenging kids to reach the world by introducing them to The Great Commission at the earliest possible age. Imagine a generation of adults that have grown up with an awareness of and compassion for others. We partner with BGMC to provide resources to missionaries and organizations throughout the world who are actively sharing the hope of Jesus with the next generation.

Convoy of Hope Europe (COHEU) is a faith-based, non-profit organization providing resources in Europe and worldwide through feeding programs, community building and disaster relief for the socially weak and underprivileged. Through coordination with local governments, churches and private donors, COHEU targets regions of extreme hunger, poverty and disease, with the goal of developing sustainable solutions for communities beyond the physical resources provided. It is a vision of transforming an area physically, socially and spiritually through ethical humanitarian action to preserve future generations.
Community Concern stands up for the basic human rights for children and families, for helping the poor and needy, for feeding the hungry, poverty alleviation, educating the unschooled and tutoring those already in school, helping with vocational training, prevention of child labour, starting up micro-enterprise development, mobilizing women to stand up for the rights of their own children and families, working with drug addicts, destitute children, the abused, victims of disease, homelessness, the tsunami affected and other hurting people in our community.

Bethlehem Bible College is an interdenominational college which uses Arabic as its primary language of instruction. It exists to train people to serve Christ in the world and Advocate a Palestinian evangelical perspective and Model Christ through community development.

The China Training Network exists in order to promote the growth of the Christian church by training leaders and partnering with Chinese believers to plant churches.
Frontiers has seen worldwide growth and change, including international expansion which has brought as many workers from outside the U.S. as from within. Frontiers now has sending bases in 25 different countries that are recruiting, training, and sending church-planting teams, sharing Jesus in over 40 Muslim countries, and facilitating the start of hundreds of communities of Muslim-born believers.

Since 1982, Frontiers has helped reduce the number of unengaged Muslim people groups to 1,000+. For the first time, we can see the end we’ve been working toward, but our goal of bringing Jesus to Muslims in these people groups remains. We look forward to the day when our work is done, and the message of the Gospel has been brought to every tribe, tongue, and nation (Revelation 5:9).

South Indian Outreach cares for the most vulnerable people in India using services that are effective, holistic, and bring long term results. Our goal is to not just alleviate the effects of poverty, but eradicate it.
Inner City Christian Ministries: ICCM Life Center is an urban ministry center committed to transforming impoverished people through the power of Jesus Christ.

Life Center reaches out to hurting people and works with them for the long-term. They go to people where they are: in the streets, homeless shelters and prisons. They reach society’s throwaways - people struggling with addictions, the homeless, un-parented, uneducated and unskilled. They share the love of Jesus with lonely teens, gang members, the violent, socially challenged and incarcerated.

Life Center is much more than a church. It is a refuge, a discipleship and life skills training center, a spiritual treatment center, a place for job training and youth tutoring, and a teen hangout.

For more than 70 years, Wycliffe has helped people around the world translate the Bible into their own languages. When people finally get the Bible in their own language, lives often change in amazing ways. People are transformed as they are led to Jesus Christ and a right relationship with God. That’s why Wycliffe Bible Translators exists — to help speakers of these remaining languages get the Bible for themselves.
In Matthew 5, Jesus tells us the local church is the light of the world. Vision Builders is committed to funding the growth of the church locally through ministering to the lost, forgotten and broken in our community. We do that by giving to and serving with organizations who reach at risk children and families, hosting events that connect Christ Place to our city, preparing for future Christ Place campuses and raising up Christian leaders through CPLC. We exist for those who are not here yet to know Jesus!

Everyday young women come to the Pregnancy Center for answers. Many of them feel trapped and believe the only choice they have in an unintended pregnancy is abortion. The Pregnancy Center gives counsel, support, free services, and grace when it is needed most. They provide women complete information about all of the options to help them make life-affirming choices.

Good News Prison and Jail Ministry places Christian chaplains in jails and prisons to minister to the spiritual needs of inmates and staff. ## CONVOY OF HOPE - Feed ONE

We want to feed 200 children a year by partnering with COH-Feed one. Each day millions of children suffer from hunger and malnutrition. Ending world hunger requires holistic solutions. These solutions start with a warm bowl of food. Currently, they feed children in Tanzania, South Africa, Philippines, Nicaragua, Honduras, Kenya, Haiti, Guatemala, Ethiopia, El Salvador and the Dominican Republic.

## I HEART WEST POINT

We want to create a local mission trip opportunity to West Point, Nebraska. From Thursday-Sunday the team will serve the West Point campus doing construction projects, as well serve the city through special activities in the city geared towards connecting with families with children.

## PARENT LIFE

Parent Life is a ministry under Youth for Christ. It’s not a program, but rather a lifetime mentorship. Their weekly meetings are held at our Van Dorn Campus. Beyond allowing this ministry to use our space, we want to begin providing them monthly support.
ROYAL FAMILY KIDS INTERNATIONAL

In June of 2018 we are taking our passion to see life-changed through Royal Family Kids Camp overseas. We want to send a team of 10-12 people to work with a local church in Mogale, South Africa to help run their own Royal Family Kids Camp.

PRISON VENUE

We are praying towards the opportunity to make the State Prison a Christ Place satellite campus. We would have a team of people attend service there, alongside the inmates, while streaming in the service.

SUPPORT NEW MISSIONARIES & ORGANIZATIONS

We want to expand our ability to start providing monthly support to ten additional missionaries and organizations who share our same heart to impact families and children at-risk.

TEEN REACH ADVENTURE CAMP

Teen Reach’s mission is to provide quality, structured programs (Boy camps, Girl camps, and mentorship programs) for at-risk youth ages 12-18 who reside in foster care.
