

VISION *Builders*

2022 PROJECT GUIDE

GO THEREFORE
AND MAKE
DISCIPLES OF
ALL NATIONS,
BAPTIZING
THEM IN THE
"I am the light of the world."
NAME OF THE
FATHER AND OF
THE SON AND
OF THE HOLY
SPIRIT . . .

MATTHEW 28:19 (ESV)

Greetings in Jesus' Name!

I'm so grateful to be in a church family who lives to give and is constantly asking God to give us a holy discontent for the lost, forgotten, and broken. We want our hearts to break for what breaks His. So we PRAY, we GIVE, and we GO.

Vision Builders encompasses this passion for reaching people globally, reaching people locally, and raising up future Christian leaders who carry this same burden.

UNASHAMEDLY, WE WANT TO BE THE CHURCH WILLING
to reach people no one else is reaching.

Vision Builders is not just something we do or give to; it's who we are. For this reason, I ask you to join me in 2022 to declare, "I am a Vision Builder."

With you on a mission,

Rick & Wendy Lorimer

Rick & Wendy Lorimer
LEAD PASTORS,
CHRIST PLACE CHURCH

"You are the light of the world. A city set on a hill cannot be hidden." - Jesus

WHAT HAPPENS WHEN WE GIVE *to Vision Builders?*

At Christ Place, we believe in the tithe - giving back to God the first 10% of our income. The intent of this act of obedience is about putting God first. The tithe is used for the operations and day-to-day ministry of Christ Place Church.

When you give to Vision Builders, above and beyond the tithe, we come together as the body of Christ, each doing our part to rise up and see the extraordinary. It's about generosity and faith at another level.

When you catch the heartbeat of generosity to give to Vision Builders, you BECOME a Vision Builder in our local church. It means you live differently; you realign your budget and priorities to resource a vision to reach the lost, forgotten, and broken in our community and around the world.

When you go above and beyond your tithe, we are convinced that God will go above and beyond *for you and through you*. There's nothing more exciting than making a difference and bringing hope to thousands!

VISION BUILDERS

FAITH THAT GOES ABOVE & BEYOND

The title is about obedience. Vision Builders is about generosity and faith at another level.

WE BOLDLY EMBRACE

A Holy Discontent

FOR THE
LOST, THE
FORGOTTEN
AND BROKEN

Vision Builders are a group of fully committed people who prayerfully give, above and beyond their tithes, to global missions, local church expansion, and future Christian leaders.

GLOBAL

sharing the gospel worldwide
through global missions

God desires for every nation, tribe, and tongue to worship Him. For people to worship Him, they have to be told about Him! We strategically partner with global missionaries, organizations, and projects that align with our focus to reach unreached people groups and plant churches.

LOCAL

supporting local church
expansion and outreach

The local church is called to be a light to our city and a hospital to the lost and hurting. Our strategic plans include planting more campuses, partnering with local organizations, and hosting outreach events in order to reach more people and care for children and families at risk.

FUTURE

investing in the lives of
future Christian leaders

We invest in and lead young leaders by empowering, inspiring, and equipping them to fulfill God's call on their lives. We are committed to coming alongside young adults who will lead the next generation in reaching the lost, forgotten, and broken, whether in full-time ministry or the marketplace.

SHARING
THE GOSPEL
WORLDWIDE
THROUGH

global missions

Go and make disciples.

Matthew 28:19 (NLT)

GLOBAL

VISION BUILDERS

Support

GLOBAL

WE PROVIDE MONTHLY SUPPORT TO **65** missionaries & organizations who are committed to helping reach at-risk families, meet needs, plant churches, and disciple unreached people groups. Our 2022 goal is to invest in 10 new missionaries.

VISION BUILDERS

feedONE

by Convoy of Hope

focus

GLOBAL

\$48,000

It's no accident that Convoy of Hope's feedONE program takes place in schools. Ephrem's story exhibits this point emphatically.

"School feeding helped me to continue in my education. Without the school feeding, I might have dropped school. I have seen children falling on the floor due to hunger."

Keeping children healthy and in school means that each child can continue learning, which helps them create a better future for themselves, their loved ones, and their communities. It also means they don't have to worry about where their next meal will come from while in class.

"As my parents can't afford to give us enough nutritious food, the school feeding has helped me a lot. I can continue my education without a problem. The food is prepared with care by people who have the knowledge and experience that it's delicious and healthy. I have no worries thinking about food."

As Ephrem works toward his dreams, he will be equipped with a good education and regular access to nutritious meals. With one of his life's greatest struggles addressed, Ephrem will, undoubtedly, accomplish great things.

"I completed grade eight this year. My dream is to join a college or university." - Ephrem, Ethiopia

VISION BUILDERS®

projects

GLOBAL

Cambodia School Expansion

Dareth and Thida Ly work in Cambodia to develop schools, train leaders, and plant churches. Many of the children in Cambodia do not have the opportunity to attend school. Building Christian schools meet real needs as they receive education, nutrition, and the message of hope and salvation. We will help build a classroom and library for one of their four schools.

Ecuador Church Plant

COVID may have stopped churches from gathering together, but it did not stop them from growing! We will provide the needed funds to break ground for a church plant in the jungles of Ecuador with Joil and Leah Marbut.

Speed the Light

Provides essential transportation and creative communication equipment for missionary evangelism across the nation and world. We will help provide a vehicle for the Haase family as they enter their second year of full-time ministry.

Light for the Lost

Empowers the church to provide God's Word for every person on the planet by providing resources such as audio, visual, and printed materials for evangelism. People groups are more receptive to the gospel message, and the Bible in their language. We will partner with LFTL to complete a Fire Bible, a complete Study Bible with an emphasis on the Holy Spirit, for an unreached people group.

Boys and Girls Missionary Club

Helps missionaries be resourced to meet critical needs through feeding programs, water wells, Bible schools, curriculum, and anything else a missionary may need in their part of the world. For example, we are going to help build a kitchen and latrines in Burkina Faso, West Africa to help safely and effectively feed more children.

Senders Fund

To reach the nations, it takes the whole church. Some will go, and some will send. We want to be a church of goers and senders. The Senders Funds will be designated monies to help launch Christ Place members when they feel called to serve globally.

\$140,000

VISION BUILDERS

Christ Place Church Expansion

We want every community in Nebraska to have the opportunity to belong to a life-giving church body. We are prayerfully laying the groundwork for a new campus in Lincoln and micro-sites across the state.

REACH THE LOST

WE EXIST FOR THOSE WHO *aren't here yet*

Community Outreach

We will serve our cities by providing or joining special events like Easter Eggstravaganza, I Heart LNK, Back to School Bash, Boo at the Zoo, Starry Nights, plus specialized community outreach at each of our Christ Place Church campuses.

Strategic Partner Projects

Our local ministry partners are continually doing more to reach those who have never experienced the life-changing power of Jesus. We want to be ready to help fund mission opportunities throughout the year when our ministry partners need them most.

Financial Relief & Assistance

We have a team ready to guide and encourage people who find themselves behind on monthly bills. We connect individuals with resources in our city, offer basic budgeting materials, and help pay bills to keep families sheltered and warm.

\$72,000

VISION BUILDERS

“YOU CAME UNEXPECTED
BUT THE BEST THINGS COME
UNEXPECTED.”

focus

LOCAL

“When I found out I was pregnant, my crisis state went way up because I did not know how to care for a child.

“So I went to the closest express care clinic. The lady came in and said, ‘Yes, honey, you are pregnant.’ And then she said, ‘I know a really good place called the Pregnancy Center.’”

“The people there at the Pregnancy Center are amazing. I got my first ultrasound, and after that moment, I knew it was my job to protect this baby.”

REACHING CHILDREN & FAMILIES *at risk*

Pregnancy Center

The Pregnancy Center provides free services to women facing an unintended pregnancy and vulnerable to abortion. Their staff has the unique opportunity to extend love and grace amidst all this. We will help them reach more clients and help cover the costs of pregnancy tests, ultrasounds, and counsel to help protect the lives of women and their babies.

Royal Family Kids and Teen Reach Lincoln

We invest in kids and youth who have experienced neglect, abuse, or abandonment by providing a summer camp that creates positive memories and communicates a message of hope for the future. After camp, kids are matched with an adult mentor who continues to invest in them each month during the school year.

\$30,000

VISION BUILDERS

INVESTING IN
THE LIVES OF
FUTURE

Christian leaders

\$52,000

The Academy at Christ Place

On our Old Cheney campus, young leaders can receive a fully accredited, Christ-centered educational experience through the North Central University Academic Partner program. Our giving will help with operational costs to ensure the success and development of future leaders.

CMN - Church Multiplication Network

We feel called to help resource like-minded church planters plant thriving evangelical churches where there are none. We want to be ready to help launch, connect, and equip new church leaders through finances, resources, and mentorship.

Scholarships and Internships

We believe culture and heart are best “caught not taught.” Internships allow us to invite young adults to experience ministry by working closely with a pastor or director on staff. Scholarships enable us to help young adults experience global and local mission trips without finances holding them back.

Nebraska Ministry Network

The Nebraska Assemblies of God is made up of 82 churches across our state. The Nebraska Ministry Network has a vision of building healthy ministers that lead healthy ministries that multiply. We are going to financially contribute to the health and multiplication of healthy churches in our state.

Development & Expansion Trips

Our Missions team is always looking to deepen current partnerships and develop new ones to continue to make a huge impact both globally and locally. These funds will be used to cover expenses for strategic travel for future Missions partnerships.

FUTURE

PRAY | GIVE | GO

VISION BUILDER SPOTLIGHT

Todd and Katie Bircher

Since childhood, Todd & Katie have been Christians, but their relationship with Jesus has become stronger over the years. Their experience with Christ Place continually reinforces their commitment to following Jesus and helps them be intentional about living according to God's will.

“We don't have the ability right now to go on mission trips, but helping financially is a way for us to participate and make that vision become a reality.”

“It has all been a lesson in trust. Whenever we have chosen to trust God, it seems crazy, but somehow He answers that trust with more and different blessings – sometimes things we would have never expected. The more you trust God, it seems, the more you experience His favor. If you trust Him with your finances, He will take care of you. If you trust Him with your time, He will find more. If you trust Him with your relationships, He will bless them and make them grow.”

“To someone new to faith or starting to give, pray about it first, and you'll grow with the act of praying. Start small if you want,

the amount isn't as important as participating and giving it over to God to decide how it will be used. Working the financial side of things into your prayers helps put things into their proper order: God first, then the rest."

TOGETHER, WE ARE *Vision Builders*

We can't all do everything, but we can each do something.

I love the beauty of the church body. We are all equipped with unique skills and giftings that, when offered back to God, life-change happens. Vision Builders is not just something we do; it's who we are. It's about operating in faith, fully confident that God can and will do more with what we have than we could ever do on our own. I pray that you experience God in real and personal ways as you obediently and faithfully give to Vision Builders in 2022. If there is anything that I can do to help encourage or connect you, please reach out.

PLAN VISION DREAM

how much to give

For some of us, this is new. So how do I give above and beyond what I'm already giving?

The Plan Goal: \$ _____ What you can do with your efforts and strength. Look at your income and expenses and determine a logical amount you can give each month.

The Vision Goal: \$ _____ Stretches your plan goal by adding a faith factor. This amount is what you would like to give, believing in God's provision to help make it happen. Make your faith commitment pledge from this goal through the lens of faith.

The Dream Goal: \$ _____ What happens when you work the plan and vision together. Ask God for a God-sized dream. This is something you don't need to communicate to anyone but can hold close to your heart between you and God. Write it down and trust that He is capable of doing even more than you ask.

2022 GOAL: **\$775,000**

PRAY | GIVE | GO

I AM A VISION BUILDER.

Prayer

Lord, I humbly but boldly ask that you give me a holy discontent for the lost, forgotten, and broken in my city, nation, and world. And, please give me the wisdom, grace, and strength to do something with it. *Amen.*
