

WHAT HAPPENS WHEN WE GIVE *to Vision Builders?*

When we give to Vision Builders, it transforms our hearts from being inward-focused to outward-focused. This shift stirs within us a deep sense of compassion and generosity, leading us to care for the lost, the forgotten, and the broken—both in our own community and around the world.

When you give above and beyond your tithe, we believe God will not only provide for your needs but will pour His blessings through you in ways you never imagined. There's nothing more fulfilling than knowing that your generosity is bringing real change and offering hope to those who need it most, everywhere. Together, we can make a lasting difference.

2025 GOAL: \$1.5 MILLION

A note from our **VISION BUILDERS PASTOR**

Every year, I am blown away by the impact that Vision Builders makes, but in 2024, that exceeded all expectations. Christ Place raised more for Vision Builders in 2024 than ever in its 49-year history.

That, my friend, takes sacrifice.

As the Missions Pastor, my heart for missions has burned deep from a very young age. I remember hearing stories around my parents' kitchen table of the sacrifices, challenges, and victories of missionaries all around the world. Hearing those stories, so many years ago, has led me to believe that we can truly make a difference when we sacrifice together to go after the lost, forgotten, and broken.

I am so excited to partner with you in this endeavor to send those who are willing to go. We are believing for great things in 2025 as we go after the audacious goal of 1.5 million dollars.

LOCAL

We are reaching more at-risk children and families

The local church is called to be a light to our city and a hospital to the lost and hurting. Our strategic plans include planting more campuses, partnering with local organizations, and hosting outreach events in order to reach more people and care for children and families at risk.

"I serve at RFK and T.R.A.C. every year because I love the kids and their hearts of gold. There is no greater joy than watching them get to let go of all the weight they carry at home and just have fun being a kid at camp." -Kristy Consbruck

GLOBAL

We are reaching people through ministries all over the world

God desires for every nation, tribe, and tongue to worship Him. For people to worship Him, they have to be told about Him! We strategically partner with global missionaries, organizations and projects that align with our focus to reach unreached people groups and plant churches.

"After going on a missions trip, our eyes were opened to the need in areas with limited access to the Gospel. We began praying that God would send more missionaries to those places. God surprised us by asking us to become global workers, showing us that we could be an answer to that prayer." -Brad & Shelley

FUTURE

Raising up the next generation to go out and make disciples

In Nebraska and across the globe, young adults are being trained and equipped to make a difference, ready to go wherever God leads. We are passionate about partnering with organizations empowering the next generation, investing in their futures, and helping them grow into the leaders they're meant to be.

"Being in The Academy has strengthened my faith, built up my character to be more like Jesus, and has helped guide me to my purpose that God has for me. The Academy has shifted how I see God's plan for my life." -Noah Johnson, 3rd year student.
